38th IIUM Convocation Motif Design

Concept: The motif for 38th convocation is inspired by the traditional batik motif that is a piece of aesthetic Malaysian arts and craft inspired by nature. The repetitive arrangement of the university logo into a floral pattern embraces the flora and fauna surrounding IIUM depicts its motto “the Garden of Knowledge and Virtue”.

Colours: The design combines the official colours of the university, Turquoise and Gold, with the Pantone colour of the year 2022, Very Peri. The vibrant colours display a spritely, joyous attitude and dynamic presence that encourages courageous creativity and imaginative expressions.

INTERNATIONAL ISLAMIC UNIVERSITY MALAYSIA

International Islamic University Malaysia (IIUM) is the manifestation of one of the major aspirations of Muslim scholars in Malaysia to have an Islamic university in the country in order to lead the ummah in all branches of knowledge. The plan to establish IIUM was revealed by Tun Dr Mahathir Mohamad, former Prime Minister of Malaysia, on 12th January 1982 after deliberating with the Education Minister, senior government officers and senior academics from local universities of that time. The university was officially established on 20 May 1983 by the Government of Malaysia.

IIUM was founded under the Companies Act 1965 that enables it to use English and Arabic as the medium of instruction, this enhances its orientation as a global university. IIUM integrates Islamic values and worldview into its humanities, scientific and technical curriculum, befitting the university's slogan "The Garden of Knowledge and Virtue". This is reflected in IIUM's educational philosophy and logo. IIUM aspires to restore the roles of Muslims in the field of education, exploration and creation of knowledge that will contribute toward the improvement of humankind quality of life.

To ensure the delivery of high-quality education, IIUM pooled together successful academicians and committed professionals in their team. In addition to academic excellence, IIUM ensures that students are trained to be professional and responsible individuals with high morals and values.

In addition to academic excellence, lifelong education, management and entrepreneurial skills as well as leadership skills are also emphasized. IIUM also stresses on the development of good ethics or 'budi' as part of its education process to ensure students possess good character. This is in line with Islamic teachings that emphasizes the development of a good personality.

IIUM has several campuses that spread across different states of Malaysia, each providing specific fields of study. The main campus in Gombak Selangor, houses the university's administration as well as the Ahmad Ibrahim Kuliyah (Faculties) of Laws, Kuliyah of

Economics and Management Sciences, AbdulHamid AbuSulayman Kuliyah of Islamic Revealed Knowledge and Human Sciences, Kuliyah of Architecture and Environmental Design, Kuliyah of Information and Communication Technology, Kuliyah of Engineering, and Kuliyah of Education.

The Gombak campus offers a complete range of facilities including on-campus residential facilities and staff housing, the main masjid at its centre, two state-of-the-art sports complexes with Olympic-sized swimming pools, a fully equipped library with more than two million printed and digital materials supported by online databases, a medical clinic, convenience stores, a post office and three Malaysian commercial banks.

The other campuses are located in Kuantan, Kuala Lumpur, Gombak and Pagoh. With land area of 1,000 acres and surrounded by greeneries, the Kuantan campus houses the Kuliyah of Medicine, Kuliyah of Science, Kuliyah of Pharmacy, Kuliyah of Allied Health Sciences, Kuliyah of Nursing and Kuliyah of Dentistry. The IIUM Centre for Foundation Studies (CFS) is located in Gombak, Pahang.

As for the Kuala Lumpur Campus at Persiaran Duta, the campus houses the International Institute of Islamic Civilisation and Malay World (ISTAC). Meanwhile, the Kuliyah of Language Management is housed in the IIUM Campus located at Pagoh Education Hub in the state of Johor.

Sultan Ahmad Shah Medical Centre (SASMEC@IIUM) is a medical centre managed by IIUM that has been recognized as a fully shariah-compliant medical centre and has been awarded with MS 1900: 2014 Certification: Shariah -Based Quality Management. The medical centre is equipped with 300 bed facilities, ICU, specialist clinics and is one of the medical centres with the latest technology in the East Coast region.

Based on 2022 statistics, the IIUM student population on campus is 22,900 students from 76 countries. To date, IIUM has produced 114,326 alumni comprising of 97,459 Malaysians and 16,867 international students.

UNIVERSITI ISLAM ANTARABANGSA MALAYSIA

Universiti Islam Antarabangsa Malaysia (IIUM) adalah manifestasi salah satu aspirasi para sarjana Islam di Malaysia untuk menubuhkan sebuah universiti Islam di Malaysia yang bertujuan untuk menerajui umat Islam dalam semua cabang ilmu. Rancangan penubuhan IIUM telah diutarakan oleh Tun Dr. Mahathir Mohamad, bekas Perdana Menteri Malaysia, pada 12 Januari 1982 selepas perbincangan bersama Menteri Pendidikan, pegawai kanan kerajaan dan ahli akademik kanan universiti tempatan. Universiti ini telah ditubuhkan secara rasmi pada 20 Mei 1983 oleh Kerajaan Malaysia.

IIUM telah diasaskan di bawah Akta Syarikat 1965 yang membolehkan penggunaan Bahasa Inggeris dan Bahasa Arab sebagai bahasa pengantar yang akan memperkasakan orientasinya sebagai universiti bertaraf global. IIUM menggabungkan nilai-nilai Islamik dan sudut pandangan dunia ke dalam pelbagai bidang yang merangkumi bidang kemanusiaan, saintifik dan teknikal, sesuai dengan slogan universiti "Taman Ilmu dan Budi". Perkara ini terserlah melalui logo dan falsafah pendidikan IIUM. IIUM berhasrat untuk mengembalikan peranan umat Islam sebagai peneraju dalam bidang pendidikan, penerokaan dan penghasilan ilmu ke arah menyumbang kepada penambahbaikan kualiti kehidupan manusia sejagat.

Demi memastikan kualiti pendidikan yang tinggi, IIUM menggabungkan golongan ilmuwan yang berjaya serta para profesional yang komited dalam pasukan pendidiknya. Sebagai penambahan kepada kecemerlangan akademik, IIUM sentiasa memastikan bahawa para pelajar telah dilatih untuk menjadi individu yang bertanggungjawab, memiliki akhlak terpuji, nilai yang tinggi dan profesional.

Selain daripada itu pendidikan sepanjang hayat, kemahiran pengurusan dan keusahawanan serta kemahiran kepimpinan turut diberi penekanan. IIUM memberi penekanan kepada keperibadian yang baik atau 'budi' sebagai sebahagian daripada proses pendidikan bagi para pelajarnya untuk memastikan mereka memiliki nilai pekerti yang baik. Hal ini adalah selaras dengan ajaran Islam yang menekankan kepada pembinaan sahsiah yang baik.

IIUM memiliki beberapa buah kampus merentasi beberapa buah negeri di Malaysia; setiap kampus menyediakan bidang pengajian yang

berbeza. Kampus Gombak di Selangor adalah untuk pusat pentadbiran universiti serta Kuliyah (Fakulti) Undang-undang Ahmad Ibrahim, Ekonomi dan Sains Pengurusan, Ilmu Pengetahuan Berteraskan Wahyu dan Sains Kemanusiaan, Seni Bina dan Rekabentuk Alam Sekitar, Teknologi Maklumat dan Komunikasi, Kejuruteraan dan Pendidikan.

Kampus Gombak menawarkan pelbagai kemudahan termasuk kediaman di dalam kampus, masjid, dua kompleks sukan dengan kolam renang berukuran Olimpik, sebuah perpustakaan yang lengkap dengan lebih daripada 2 juta bahan cetakan dan digital yang disokong oleh pangkalan data dalam talian, pusat perubatan, kedai serbaneka, pejabat pos, dan tiga buah bank perdagangan Malaysia.

Kampus-kampus lain terletak di Kuantan, Kuala Lumpur, Gombak dan Pagoh. Kampus Kuantan terletak di lembah yang dikelilingi oleh kehijauan alam semula jadi seluas 1,000 ekar. Kampus tersebut menempatkan Kuliyah Perubatan, Pengajian Sains, Farmasi, Sains Kesihatan Bersekutu, Kuliyah Kejururawatan dan Pergigian. Pusat Asasi IIUM (CFS) terletak di Gombak, juga di negeri Pahang.

Kampus Kuala Lumpur di Persiaran Tuanku Syed Sirajuddin menempatkan Institut Pemikiran dan Tamadun Islam Antarabangsa (ISTAC). Kampus IIUM yang terletak di Hub Pendidikan Pagoh, Johor menawarkan kursus-kursus berasaskan Pengurusan Bahasa Antarabangsa.

Pusat Perubatan Sultan Ahmad Shah Medical Centre (SASMEC@IIUM) adalah sebuah pusat perubatan yang dikelolakan oleh IIUM yang telah diiktiraf sebagai pusat perubatan patuh syariah dan anugerahkan dengan Persijilan MS 1900:2014: Pengurusan Kualiti Berasaskan Syariah. Pusat perubatan ini dilengkapi dengan kemudahan 300 katil, ICU, klinik pakar dan merupakan antara pusat perubatan yang mempunyai teknologi terkini di rantau Pantai Timur.

Berdasarkan statistik 2022, populasi pelajar IIUM di dalam kampus adalah berjumlah 22,900 pelajar yang berasal dari 76 negara. Setakat ini, IIUM mempunyai 114,326 alumni yang terdiri daripada 97,459 warganegara Malaysia dan 16,867 adalah pelajar antarabangsa.

THE HOLY QUR'ĀN

The Holy *Qur'ān* is respectfully displayed in every convocation ceremony of IIUM to serve as a constant reminder to everyone that the Holy *Qur'ān* is the primary source of IIUM's philosophy of education and that its teachings shall forever direct the future development of the University. The copy of the Holy *Qur'ān* displayed is handwritten and is the work of a well-known local calligrapher, Tuan Haji Bachok Haji Sayuti, a Quranic teacher at IIUM. He began the work in April 1987 and completed it in September of the same year.

KITAB SUCI AL-QUR'ĀN

Kitab suci Al-Qur'ān dipamerkan di setiap majlis konvokesyen IIUM. Ini untuk mengingatkan bahawa Al-Qur'ān merupakan sumber tertinggi dalam falsafah pendidikan IIUM dan segala pengajaran dari kitab suci Al-Qur'ān akan mencorak segala perkembangan IIUM di masa hadapan. Salinan kitab suci Al-Qur'ān yang dipamerkan adalah yang ditulis oleh Tuan Haji Bachok Haji Sayuti, yang merupakan seorang pakar seni khat tempatan dan Guru Al-Qur'ān di IIUM. Beliau mula menulis naskhah ini pada bulan April 1987 dan selesai pada bulan September 1987.

INSTRUMENT OF AUTHORITY

The Establishment Order conferred on the University by His Majesty, the 7th Yang Dipertuan Agong, was in the form of a scroll signed by His Majesty on 20th May 1983.

WATIKAH KUASA

Watikah Kuasa Penubuhan telah dianugerahkan kepada Universiti oleh Kebawah Duli Yang Maha Mulia Seri Paduka Baginda Yang Dipertuan Agong yang ke 7 di dalam bentuk skrol yang diperkenankan oleh Baginda pada 20 Mei 1983.

LOGO

The logo captures the philosophy of combining reason and revelation in seeking, internalising and disseminating knowledge in the name of Allah (SWT), the Creator, Cherisher and Sustainer of the universe. At the centre of the logo is the Qur'ān that contains, the Revelation of Allah (SWT), and the knowledge which is absolute and above all human knowledge. The glorious Qur'ān guides and inspires the pursuit of knowledge in the University. The symbol of the Qur'ān is surrounded by a design of the Ka'bah, the sacred house in Makkah, Saudi Arabia, representing the principle of *Tawhīd*, the unity of God, of knowledge and of humankind, and the concept of *'Ibādah*, obedience and submission. The eight domes pointing in eight directions represent the different branches of human knowledge and disciplines and are grounded in the common foundation of *Tawhīd*. Finally, the eight outer domes signify the various Islamic development efforts of humans (social life, culture and civilization, etc.) based on the knowledge and disciplines grounded in *Tawhīd*. The logo is coloured in gold representing the common principles of *Tawhīd*, *'Ibādah*, *Aqīdah* (belief), *Sharī'ah* (Islamic legal system) and *Akhlāq* (good morals). Additionally, the use of colour gold symbolises excellence and overall prosperity.

LOGO

Logo IIUM menggambarkan falsafah IIUM yang menggabungkan ilmu akal dan wahyu dalam penyelidikan, penghayatan dan penyebaran ilmu atas nama Allah (SWT) sebagai Pencipta dan Tuhan Semesta Alam. Al-Qur'ān di letak di tengah logo untuk menunjukkan Wahyu dari Allah (SWT), ilmu yang mutlak yang berada di atas semua ilmu-ilmu yang lain. Al-Qur'ān memberi panduan dan inspirasi kepada pencarian ilmu di IIUM. Simbol Al-Qur'ān dikelilingi oleh pola Ka'bah, simbol Baitullah di Mekah untuk memaparkan prinsip Tauhid iaitu keesaan Tuhan, kesatuan ilmu dan umat manusia dan juga konsep Ibadah, iaitu ketaatan dan penyerahan diri kepada Tuhan. Lapan kubah yang setiap satunya menghala ke arah yang berbeza mewakili lapan cabang ilmu dan disiplin manusia yang berbeza namun bertunjang kepada asas Tauhid yang sama. Akhir sekali, lapan kubah luar menandakan pelbagai usaha untuk membangunkan manusia (dalam aspek kehidupan sosial, kebudayaan dan peradaban) berdasarkan kepada ilmu dan disiplin yang bertunjangkan Tauhid. Logo ini diwarnakan dengan warna emas yang menggambarkan prinsip bersama Tauhid, Ibadah, Akidah (kepercayaan) Syariah (sistem perundangan Islam) dan Akhlak (etika). Penggunaan warna emas dalam logo adalah simbolik untuk menggambarkan kecemerlangan dan kemakmuran.

PHILOSOPHY

The philosophy of the University is based on the belief that knowledge must be pursued as an *'Ibādah* (continuous worship) and *Amānah* (a trust) which Allah (SWT) has placed upon humankind. The knowledge pursued should lead to the recognition that Allah (SWT) is the Absolute Creator, Cherisher and Sustainer of the universe. This total and uncompromising recognition of Allah (SWT) "as *Rabb al-ālamīn* (the Lord of the World) represents the apex in the hierarchy of knowledge". This philosophy is predicated on the first five verses of *Sūrat al- 'Alaq* ("The Clot"), the 96th surah or chapter of the Qur'ān, which are incorporated in the Constitution of the IIUM.

Read! In the name of your Sustainer who created:

He created man from a germ-cell. Read! Your Sustainer is the Most Bountiful One who has taught [man] the use of the pen [and] taught man what he did not know.

These five verses emphasises the fact that knowledge must be acquired, internalised and disseminated in the name of Allah (SWT) and that this knowledge should be acquired through the pen, intellect, and divine revelation. Knowledge based upon the harmony of revelation and reason would surely elevate men to a position of honour and high status. Knowledge acquired through human reasoning to the neglect of revelation would be incomplete and would not be beneficial to mankind.

FALSAFAH

Falsafah IIUM adalah berasaskan kepercayaan kepada menuntut ilmu merupakan satu *'Ibadah* yang berterusan dan Amanah yang diwajibkan oleh Allah (SWT) ke atas manusia. Ilmu yang peroleh seharusnya memandu manusia kepada pengiktirafan Allah (SWT) sebagai Pencipta Mutlak dan Tuhan Semesta Alam. Pengiktirafan secara menyeluruh dan tanpa kompromi terhadap Allah (SWT) sebagai "Tuhan yang menguasai Dunia (*Rabb al-ālamīn*) adalah taraf tertinggi dalam hierarki ilmu". Falsafah ini adalah berdasarkan kepada lima ayat pertama Surat al-'Alaq, surah ke 96 di dalam Al-Qur'an dan dimasukkan ke dalam Perlembagaan IIUM.

Bacalah! Dengan nama Tuhanmu yang menciptakan:

Ia menciptakan manusia dari sebuku darah beku! Bacalah! Dan Tuhanmu yang Maha Pemurah, yang mengajar manusia melalui pena dan tulisan. Ia mengajarkan manusia apa yang tidak diketahuinya.

Kelima-lima ayat ini menekankan bahawa ilmu pengetahuan hendaklah diperolehi, dihayati dan disebarkan atas nama Allah (SWT) dan ilmu pengetahuan ini hendaklah diperolehi secara mempelajarinya menggunakan akal dan ilmu wahyu. Ilmu yang berasaskan gabungan harmoni ilmu wahyu dan akal sudah pasti akan mengangkat manusia kepada kedudukan yang tinggi dan dihormati. Ilmu yang diperolehi hanya berpandukan akal tanpa bimbingan wahyu adalah tidak lengkap dan pastinya tidak memberi keuntungan kepada manusia.

VISION

Inspired by the worldview of *tawhīd* and Islamic philosophy of the unity of knowledge as well as its concepts of holistic education, the University aims at becoming a leading international centre of excellence in education, research and innovation which seeks to restore the dynamic and progressive role of the ummah in all branches of knowledge;

thereby,
contributing to the improvement and uplifting of the qualities of human life and civilisation.

VISI

Dengan mengambil inspirasi dari maksud tawhid dan falsafah Islam dalam mengintegrasikan ilmu pengetahuan dan konsep pendidikan yang holistik, Universiti mensasarkan untuk menjadi peneraju pusat kecemerlangan antarabangsa didalam pendidikan, penyelidikan dan inovasi yang mana ia akan mengembalikan ummah yang dinamik dan peranan yang progresif di setiap gedung cabang ilmu pengetahuan;

dengan itu,
ia akan menyumbang dalam menambahbaik dan menaikkan lagi kualiti kehidupan manusia dan ketamadunan

AND INTERNATIONAL RELATIONS**

**CONFERMENT OF HONORARY DEGREE OF DOCTOR
OF PHILOSOPHY IN STRATEGIC COMMUNICATION
AND INTERNATIONAL RELATIONS**

**BIOGRAPHY OF
Y.BHG. DATO SRI SYED HUSSIEN BIN ABD KADIR AL HABSHEE**

Dato' Sri Syed Hussien Abd Kadir Al Habshee is a prominent diplomat and public figure in Malaysia who has been serving the country in various strategic positions. He obtained his education in Sekolah Menengah Dato' Jaafar, Johor Bahru, and continued his studies at Universiti Sains Malaysia until he was conferred with B. Soc. Sc (Pol. Sc.) in 1975. He then pursued his master's degree in International Relations at Fletcher School of Law and Diplomacy, Massachusetts USA in 1987.

Dato' Sri Syed Hussien Al Habshee has made a significant contribution to educational, social, and diplomatic development which deserve due recognition from various communities, including the intellectual community and educational institution like the International Islamic University Malaysia.

His contributions, among other things, include his effort to advocate the right narratives and discourses on Islam by placing the importance of understanding the true teaching of Islam among Muslims. He has implemented various initiatives to avail strategic avenues to introduce Islam as the perfect guidance on human life, particularly in advocating the concept of Rahmatan lil Alamin.

He has advocated the need to place judicious effort to strengthen the role of education in promoting Islamic brands amidst the increasingly challenging society when most of the Islamic teachings are being forgotten due to the extreme enthusiasm for legalistic branding which describes Islam as an exclusive and purely punitive religion.

Besides, he has shown his continuous passion and consistent commitment to playing the educational, social, and diplomatic roles.

Educational Roles

- Promoting Islamic universal values, such as the concept of "Rahmatan lil Alamin" (mercy to all creation) on a global stage.
- Introducing Malaysia as a model "rahmah nation", via various approaches in making the concept accepted by the international community.
- Being instrumental in promoting Malaysia as a regional centre of excellence, and contributing significantly to the high increase in the number of foreign students in Malaysia.
- Holding the posts as a long-serving member of the Board of Governors of International Islamic University Malaysia (IIUM), a position he holds since the year 2016, as the Chairman of IIUM International Promotion Council Committee and Audit Committee until the present, and as the Chairman of the IIUM Audit Committee from 2016 until the present.
- Being a member of the IIUM Staff Service Committee and IIUM Academic Staff Selection Committee from 2006 until the present.
- Inspiring and supporting academics to work on research and publication activities which could be used as models to create a society that has good relationships and strong unity, essential to foster harmonious co-existence among them.

Social

- Serving as President of the Malaysian Malay Chamber of Commerce (DPMM).
- Serving as Secretary General of the National Chamber of Commerce and Industry of Malaysia (NCCIM). He is currently the Chairman of SME Corp, who is responsible to drive the growth and transformation of Malaysian SMEs. A series of Women Netpreneur programmes were initiated to empower women in the economy and community by SME Corp Malaysia and the Entrepreneur Development and Cooperative Ministry (MEDAC).
- Serving as Chairman of Majlis Agama Islam Wilayah Persekutuan (MAIWP) during which he focuses on introducing Islam as a complete way of life that encompasses socio-spiritual-economic aspects. He had proposed the development of an action plan for the implementation of programmes related to the Concept of Rahmatan lil 'Alamin.

Diplomatic

- Serving in the Malaysian Administration and Diplomatic Services since 1977. He has extensive experience in international relations through his service as a diplomat in several Malaysian diplomatic missions overseas. Dato' Sri was appointed as Second Secretary at the Malaysian Embassy in Cairo, Egypt in 1982, and as First Secretary at the Malaysian Embassy in Rabat, Morocco in 1989. In the year 1992, Dato' Sri was assigned to the Malaysian Embassy in Jeddah, Saudi Arabia as Consul General, and later served as Deputy Permanent Representative of Malaysia to the Organisation of Islamic Cooperation (OIC), in Jeddah. In 2000, he was promoted to be the Ambassador of Malaysia to the United Arab Emirates (UAE).
- Enhancing the bilateral relationship between the host countries and Malaysia in various areas of cooperation benefiting the people of both countries. Dato' Sri is committed to initiating measures to counter Islamophobia and raising global awareness by communicating moderation in Islam. In 2020, the Commonwealth Secretary General's visit

to Malaysia was set up by him not only as an effort to promote Islamic universal values but also to emphasise Malaysia's commitment to global peace and security.

- Exploring opportunities in areas which enhanced the solidarity among Muslim countries. As a member of OIC, this is parallel with Malaysia's to strengthen the spirit of co-operation among the member states.
- Initiating and participating in the discussion on issues that pertain to comparative religions, and giving emphasis on the roles of faith in society at the national and international levels. This contributes to the development of effective policy responses to Islamophobia and terrorism which requires the understanding of Islamic world and its relationship with non-Muslim states.
- Facilitating various avenues to highlight Malaysia's Rahmatan lil Alamin concept in light of current issues on war, violence and Islamophobia, including through publication, seminar, round table discussions and media statements. This befits the foci in the fields of public diplomacy and international relations. Such dialogues are significant to counter prejudice, misinformation and antagonism against Islam and its values.
- Bringing the Malaysian tourism industry to a greater height by promoting Malaysia as a tourist destination and consequently bringing more tourists, especially from middle eastern countries to Malaysia. This is in line with the OIC efforts to develop Islamic tourism as a means to generate member states' economic growth. From a socio-cultural perspective, Islamic tourism will likely expose non-Muslims to Islam and its cultures. The effort will indirectly counter negative sentiments against Muslims.

Dato' Sri Syed Hussien Al Habshee believes that IIUM is an Islamic-based higher education institution that has taken various approaches to educate the community in conveying the correct teachings of Islam, and correcting the misunderstandings and mistakes of many parties towards the Islamic religion.

CONFERMENT OF IBN KHALDUN MERIT AWARD FOR GLOBAL SOCIAL TRANSFORMATION

CONFERMENT OF IBN KHALDUN MERIT AWARD FOR GLOBAL SOCIAL TRANSFORMATION

ISLAMIC WORLD EDUCATIONAL, SCIENTIFIC AND CULTURAL ORGANIZATION (ICESCO)

The Islamic World Educational, Scientific and Cultural Organization ICESCO (previously known as ISESCO) was established by the Organisation of Islamic Cooperation (OIC) in May 1979 and elected its first Director General on 3rd May 1982. With headquarters based in Rabat, Morocco, it has 54 member states and three observer states. It operates in three main languages which are English, Arabic and French.

ICESCO's main mission and raison d'être is to build the knowledge, capacities, skills, and expertise of Muslim countries, more specifically, the capacities of its member states and advance the Islamic world towards sustainable development through education, science, and culture.

In its 40 years of establishment and service, ICESCO's has greatly contributed to the advancement of the Muslim world. The most notable, impactful, and far-reaching ones include, among others, the following:

- Funding hundreds of thousands of direct beneficiaries and millions of indirect beneficiaries each year, in the form of at least 3,580 study scholarships and research grants, over the span of 40 years.
- Advancing the education of Muslim girls and Muslim women in pursuing higher education in science and technology, specifically, and in other fields relevant to ICESCO interests.

- Conducting over 5,000 activities, in the form of training sessions, specialised meetings, seminars, symposia, workshops, conferences and others in various member states and global Muslim communities for skills transfer and knowledge sharing.
- Publishing over 1,200 books and studies which include authoring, translation and verification of manuscripts.
- Initiating the adoption of 67 culture capitals in the Islamic world till the year 2025.
- Having 237 heritage sites recorded on the Islamic World Heritage List.
- Granting 15 awards, such as the ICESCO Short Film Award, Short Stories Award and Drawing and Music Award, to encourage creativity and excellence.
- Appointing 30 academic chairs in different areas of knowledge.
- Organising 300 cooperation conventions.
- Setting up and launching 21 medical, socio-educational and humanitarian groups to alleviate the suffering of people with difficult socio-economic situations in remote areas.

ICESCO has a special connection to IIUM and Kulliyah of Education (KOED). For example, several IIUM staff have, in the past years, been appointed to assume a position with the

organisation, such as Allahyarham Dr Mohd Yusnan Yusuf (KOED), Allahyarham Assoc. Prof. Dr. Adnan Abdul Rashid (KOED), Assoc. Prof. Dr. Arifin Mamat (KOED), and currently, Prof. Dr. Majdi Hj. Ibrahim (AHAS IRKHS).

Presently, ICESCO and IIUM are engaged in the following collaborations:

- Establishing academic chairs at the Kulliyah of Islamic Revealed Knowledge, Chair of Writing Islamic Nations' Languages with Qur'anic Letters and at the Kulliyah of Engineering, Chair of Sustainable Engineering.
- Providing research funds and grants for young IIUM researchers to conduct scientific research in nanotechnology, health biotechnology, information and communication technologies, agricultural biotechnology, engineering sciences, biological sciences, frontier areas of science and technology, medicinal plants and applied sciences.
- Conducting joint conferences with IIUM kulliyahs, such as the 7th IIUM International Conference on "Criticism and Innovation in Linguistics and Literary Works (2020)," with the KIRKHS.
- Inviting IIUM staff to participate in ICESCO's conferences.
- Appointing IIUM experts to conduct trainings and workshops.
- Appointing IIUM experts to evaluate research works and grant applications.

ICESCO has been and will continue to be a champion of education specially to empower Muslim females with multifaceted knowledge and abilities in various fields of education, science and technology, culture and communication.

During COVID-19, ICESCO played a fundamental role in ensuring the education of Muslims worldwide was not disrupted by the pandemic. A central platform called the "ICESCO Digital Home" was launched which contains several digital initiatives to benefit Muslim learners worldwide.

One of the initiatives is "ICESCO Educational Lectures: Distance learning in the time of COVID-19" which aims to strengthen the role of distance learning and the use of digital resources and services to ensure the continuity of education for Muslims, no matter where they are.

ICESCO has also elevated the status of Arabic as the language of religion and scholarship by setting up an educational centre in Malaysia in 2015 specialising in the teaching of the language. The centre specialises in teaching Arabic to non-Arabic speakers and strives to build the national educational capacities in Malaysia and Southeast Asian countries. In addition, it collaborates with the Ministry of Education to provide numerous educational training programmes in the teaching of Arabic, both in Malaysia and neighbouring countries.

The efforts of ICESCO are harmonious with the vision and mission of KOED which is to build the capacities of Muslim educators, scholars and researchers through meaningful knowledge construction, skills development and state-of-the-art technology utilisation. KOED strives to inculcate the understanding of education as a form of Rahmatan lil A'lamin among its staff and students. This reflects the role that ICESCO has sustained over the years.

The conferment of the award is timely, given the ICESCO's contributions to the world, the Muslim Ummah and IIUM. It is hoped that the conferment of the award will foster closer ties between the three parties, ICESCO, IIUM and KOED.
